

Dear Tom, Kurt, Mindy, Leslie, Kyle, Jamie, and everyone else at Snow's Woodshop,

We want to thank you for making our dream kitchen come to life. From the first sketch design ideas to the last bead of caulk on the countertop it was an awesome experience. We were very pleased with the level of expertise, professionalism, and courtesy we were shown throughout the entire project, not to mention the superior quality of the cabinets and countertops.

You can be sure that we will be recommending Snow's to anyone looking to increase the quality and value of their home. Feel free to give us a call if you have any customers who would like to see our installation. We are more than happy to show it off!

Thanks again for everything,

Mark and Rachel
